o Become an BRR-SCCA member – $80.00 individual 100.00 family 45.00 FirsGear (under 24 year old). $15.00 credit for referral-both.
  .. SportsCar magazine / Additional insurance coverage at SCCA events.
  .. SCCA member discounts on BRR-SCCA events and merchandise.
  .. Yearly Tech inspection program for BRR-SCCA.
  .. Permanent car number for the year for BRR-SCCA events.
  .. Eligible for Year-end BRR-SCCA Awards.

o Car Numbers and Class Designations on both sides of the car. 8" numbers 4" class.. paper provided at Registration. Print your own from
        the web site.

o Everyone must sign the Insurance Waiver and display a wrist band – will be located at the registration table.

o Speed Limit
  .. Drive fast on the course NOT in the paddock or surrounding public roads...be a good Citizen... you represent BRR-SCCA.
  .. Walking speed in the paddock.
  .. NO burnouts or spinning of tires in the paddock area.. this is illegal as an SCCA event and will disqualify you.
  .. Be good citizens so we may use the site again.

o SAFETY is of the highest importance.
  .. Solo Safety Steward has approved the site and will monitor the event for safety issues.
  .. Car CONTROL event, keep your car under control at all times.
  .. If you lose control of your car BOTH feet in, brake and clutch to the floor.
  .. If you lose the course, please continue to the finish timing lights to trip the scoring computer.
  .. Every driver and passenger MUST have a helmet and safety belt on before approaching the starting line.
  .. NO hand held cameras in the car and all limbs must remain inside the vehicle.
  .. DO NOT run over the timing lights.
  .. Riders are permitted over the age of 12, must sign the waiver and wear a helmet... driver is responsible for the actions of the rider.
  .. Any photographer on course must have a spotter and be approved by the Safety Steward.

o RED Flag is displayed if there is an unsafe condition on the autocross course.
  .. Keep RED flag unfurled and ready at all times, held by radio operator.
  .. Workers should display the RED flag and call "RED FLAG" on the radio, on any condition they think is unsafe.
  .. All worker stations should display the RED flag if one station has an unsafe condition.
  .. If shown a RED flag as a driver, come to a controlled STOP, continue at a slow speed only after the corner worker releases you.
  .. Radio, Fire extinguisher, and red flag at each worker staton.

o Cone rules and penalties will be demonstrated by the Cone Board.
  .. Two second penalty if a cone is knocked over or out of the box.
  .. Pointer cones do count as a penalty.
  .. Not an off course for driving out side the white chalk lines, they are just a visual reference.. Off course if you miss a gate.
  .. Call in cone penalties on the radio to scoring by give Car Number, Class and type of penalty.. number of cones / off course.
  .. Driver must stop and point out a misplaced cone to receive a rerun.

o Working - Volunteer organization so everyone must work a position to help the event run smoothly.
  .. Each worker is responsible for their own safety.
  .. Always stay alert and face the oncoming car, do NOT turn your back to the course or car.
  .. Stay on your feet at all times.
  .. If you do not preform your work assignment you will have to work 2 assignments before you will be allowed to run in another
        BRR-SCCA event.
  .. No Cameras or electronic devices such as cell phones allowed on course while working.

o RUN/WORK Groups
  .. RUN by Class.. review Run /Work groups on marker board...choose your worker assignment
  .. Introduce Worker Steward.
  .. When your Work/Run group is called, first check with the Worker Steward, then take your position.
        Be PROMPT. Showing up late is the same as not working.

o Have a FUN and SAFE event.
